

Obituary

In Memoriam: **Dr. Muhammad Rizwan-ul-Haque Dogar**

July 7, 1971 to July 16, 2024

We are deeply saddened by the passing of Dr. Muhammad Rizwan-ul-Haque. He was a distinguished and dedicated member of the medical community who devoted his life to the field of Nephrology and to the education of future medical professionals.

He began his illustrious career after completing his MBBS in 1995. He joined Shaikh Zayed Medical Complex, Lahore, where he climbed the professional ladder from House Officer to Associate Professor through sheer hardwork and dedication. His journey in the same institute is a testament to his unwavering commitment and exceptional capabilities. Throughout his career, Dr. Rizwan's professional services in Nephrology were remarkable, particularly his teaching skills, which have left an indelible mark on hundreds of students. His name will remain unforgettable within the entire medical faculty, as his students carry forward his legacy in the field of Nephrology.

Dr. Rizwan-ul-Haque was also an accomplished researcher with several notable publications to his name. His contributions to medical research have advanced the field of Nephrology and will continue to influence and guide future research. Moreover, Dr. Rizwan-ul-Haque attained expert-level procedural skills in Nephrology, mastering techniques such as Haemodialysis, Renal Biopsy, Acute and Permanent Peritoneal Dialysis Catheter Insertion, Subclavian, Jugular, and Femoral Catheter Insertion, and Paracentesis (Abdominal, Pleural, Pericardial). His expertise in these areas greatly benefited his patients and enriched the training of his students.

Despite suffering from a debilitating disease in his later years, Dr. Rizwan-ul-Haque continued to serve his institute with remarkable dedication. His resilience and commitment to his profession, institute, and students were truly inspirational.

We extend our deepest condolences to Dr. Rizwan's family and loved ones during this difficult time. His contributions to medicine, education, and research will never be forgotten, and his legacy will continue to inspire us all.

In honour of Dr. Rizwan-ul-Haque, we celebrate his life and the profound impact he had on so many. He will be greatly missed but always remembered.

Professor Dr. Waqar Ahmad
HOD Nephrology
Sheikh Zayed Hospital

Lahore, Pakistan
